COMPREHENSIVE REVIEW OF THE WHOLE QUESTION OF PEACE-KEEPING OPERATIONS IN ALL THEIR ASPECTS

Programme budget implications of draft resolution A/SPC/46/L.9

Statement submitted by the Secretary-General in accordance with rule 153 of the rules of procedure of the General Assembly

Addendum

1. In the statement submitted by the Secretary-General in document A/SPC/46/L.10 on the programme budget implications of draft resolution A/SPC/46/L.9, it was indicated that should the General Assembly adopt the draft resolution, additional appropriations of $269,900 would be required ($11,900 under section 1 and $258,000 under section 2 of the proposed programme budget for the biennium 1992-1993). In addition, an amount of $38,300 would be required under section 36, Staff assessment, to be offset by the same amount under income section 1, Income from staff assessment.

2. Following further review, the Secretary-General now considers that, should the General Assembly adopt the draft resolution, the staff requirements for the tasks called for in the draft resolution could be met from the overall resources available to the Office for Special Political Affairs. No additional requirements for salaries and common staff costs would thus arise under the regular budget. As to related estimated requirements for travel of staff and the acquisition and maintenance of office automation equipment, it would be the intention of the Secretary-General to seek voluntary contributions to cover the cost of these items.

3. Under these arrangements, no additional appropriation would be required under sections 1 or 2 of the proposed programme budget for the biennium 1992-1993, should the General Assembly adopt draft resolution A/SPC/46/L.9.
